

**LA HABRA HEIGHTS COUNTY WATER DISTRICT
INVITES APPLICATIONS FOR**

**UTILITY WORKER III (\$5,612 - \$7,346)
OR
UTILITY WORKER II (\$4,566 - \$5,975)**

Final Filing Date: OPENED UNTIL FILLED

Located in La Habra Heights. District is a mature, upscale residential community, approximately 5,800 people occupying six square miles. The area maintains a very low-density rural residential character because of severe topographic and geologic constraints. The District has 1,990 services, 4 wells and 7 storage tanks. The District offers competitive salaries and comprehensive benefits:

PPO & HMO Medical insurance (97% of dependent premium paid by District)
Dental insurance
Vision insurance
PERS retirement: Classic-2% @ 60 (District pays employee's 7%); PEPRA-2% @ 62
457 deferred compensation plan, 2% employer match
9 holidays plus 2 floating holidays; 12 days sick leave per year
Vacation (10 days [1 – 4 years], 15 days [5 – 14 years], and 20 days [15 – plus years])

DEFINITION:

Under the direction of the Superintendent, to install, maintain, operate and repair water potable water transmission and distribution pumping and storage systems; monitor and maintain water quality standards; and to do other work as required.
